

CONFIDENTIAL - FOR INTERNAL USE ONLY

CASE FILE: STATE vs. ROHAN MEHRA

Case Number: CR/CCPS/593/2025

Court of Jurisdiction: Court of the Chief Metropolitan Magistrate, Bengaluru Urban District

Presiding Officer: [TO BE ASSIGNED]

Case Type: Criminal (Cyber Crime / Intellectual Property Theft)

Parties:

- **Prosecution:** State of Karnataka (Represented by Cyber Crime Police Station, Bengaluru)
- **Accused:** Rohan Mehra, S/o Vijay Mehra, Age 31

Charges Filed:

- Section 66, Information Technology Act, 2000 (Computer Related Offences)
- Section 43(b), Information Technology Act, 2000 (Unauthorized copying/extracting of data)
- Section 408, Indian Penal Code, 1860 (Criminal breach of trust by servant)
- Section 379, Indian Penal Code, 1860 (Punishment for theft)

SUMMARY OF ALLEGATIONS

The accused, Rohan Mehra, is a former Senior Software Architect at the complainant company, "Innovatech Solutions Pvt. Ltd.". Following his resignation, it is alleged that the accused used retained security credentials to illegally access the company's private code repository. The accused is alleged to have downloaded proprietary source code and confidential design documents related to an unreleased AI project codenamed "Project Chimera." The breach was discovered during a routine security audit.
